SHOP TALK WITH OUR STUDENTS

Conversations with business leaders offer our students a glimpse of the personal and professional challenges that await them after graduation. Guest speakers go beyond textbooks and lectures and give College of Business undergraduate and graduate students opportunities to probe, question, and learn why.

College of Business speakers, many of whom are alumni, inspire while they teach.

Among the prominent men and women our students have had conversations with are:

Yasmin Bates

Executive Vice President
Harris Trust and Savings Bank

Terrence Duffy
