Entrepreneurship lecture to feature CEO of information technology company

Champaign, Ill. — The founder of The TriZetto Group will be the speaker at the fourth annual V. Dale Cozad Lecture in Entrepreneurship at the College of Commerce and Business Administration. Jeffrey Margolis will speak on "TriZetto: Transforming fundamentals into innovation" on April 9, 2002, at 5 p.m. in 141 Wohlers Hall, 1206 South Sixth Street, Champaign. The seminar is open to the public but RSVPs are requested (217-244-6669 or alumniaffairs@cba.uiuc.edu).

The TriZetto Group offers an array of information technology products and services using proprietary and third-party software on a licensed or hosted basis. It also provides e-business applications and consulting and business services to the healthcare industry. Founded in 1997, The TriZetto Group expects revenues of \$260-275 million this year.

Jeffrey Margolis graduated from CCBA in 1984 with high honors from the Department of Business Administration where he concentrated in the then-new management information systems curriculum. He completed his undergraduate degree in three years and pass the CPA exam at 20.

The V. Dale Cozad Lecture in Entrepreneurship was established in memory of Dale Cozad, who founded Cozad Asset Management in 1972. Peter and Kim Fox along with family, friends, and colleagues of Cozad established the lecture series that honors Cozad's commitment to the University of Illinois.

Nationally recognized as one of the leading business schools, the College of Commerce and Business Administration has outstanding programs in accounting, business, economics, and finance. The college enrolls more than 3,000 undergraduates, 700 MBA and master's students, and 175 doctoral candidates from all 50 states and more than 30 countries worldwide.
