FROM THE DEAN

Dear College of Business Students,

For the past six years it has been my great privilege to serve as the Dean of the College of Business. As you are probably aware, I recently accepted the position of Vice President of Technology and Economic Development at the University of Illinois, effective Jan. 1, 2008.

The College of Business is a place where you can focus on your goals in an environment in which you can excel. Whatever you achieve will reflect upon the College and the University and in turn, whatever the College and University become will reflect on you. I am pleased that I will retain my faculty appointment in the College and will continue to teach on a limited basis. I thank you for giving me the opportunity to be the Dean of this great College.

Sincerely,

Avijit Ghosh
Dean
